Wonderful Gideon Pond Summer School Staff-

Thank you for a fabulous first week! Things went very smoothly thanks to all of your hard work!!

Here are a few reminders-

1. If you are the last class to use the computer lab for the day, please be sure to shut the computers down.
2. Do NOT allow students to take books home.
3. Make a copy of the blue CLP form before you send the copy home for signatures. Do NOT send the original home.
4. Beginning Monday, your attendance sheet is going to look a little different. Please continue to mark only an "A" if the student is absent.

Thanks!

Tom and Amy
